Profile Summary

Innovative final-year Computer Engineering student with strong expertise in data structures, algorithms, and full-stack development. Proficient in C++ and JavaScript, with hands-on experience in ReactJS for creating dynamic web applications. Passionate about optimizing performance and delivering scalable solutions in agile environments, eager to leverage problem-solving skills to drive impactful software innovations.

Projects

Portfolio Website (ReactJS)

- Developed a personal portfolio using ReactJS, showcasing key projects and technical skills.
- Focused on creating a dynamic and engaging UI, with responsive design to ensure cross-device compatibility.

E-Commerce Website (MERN, Tailwind CSS)

- Built a full-stack e-commerce site using the MERN stack, integrating secure login systems for users and admins.
- Utilized Postman for API testing and Cloudinary for efficient image management.

Currency Converter (HTML, CSS, JavaScript)

- Developed a real-time currency converter with RESTful APIs for precise exchange rate data.
- Designed a user-friendly interface, enhancing accessibility and improving the overall user experience.

Experience

HashedBit Innovations | Software Developer Intern | June 2024 – Aug 2024

- Developed interactive web pages using ReactJS, enhancing UI/UX with modern design standards.
- Integrated APIs for real-time data fetching, improving the responsiveness and functionality of applications.

Navodita Infotech | Full-Stack Developer Intern | Sept 2023 – Oct 2023

- Contributed to both front-end and back-end development of web applications using ReactJS, Node.js, and Express.js.
- Worked on database management and API integrations, enhancing the efficiency and scalability of applications.

Education

- **Bachelor of Engineering in Computer Engineering** | Sandip Institute of Technology & Research Center, Nashik – 8.74(Current CGPA) (Expected Graduation: 2025)
- **HSC** | Vainateya Junior College of Science, Niphad, Nashik – 86.33% (2021)
- **SSC** | Vainateya Vidyalaya, Niphad, Nashik – 83.60% (2019)

Skills & Abilities

- **Programming Languages:** C++, Java, JavaScript
- **Web Technologies:** HTML, CSS, Bootstrap, ReactJS, REST APIs
- **Backend Technologies:** Node.js, Express.js, MongoDB, MySQL
- **Tools:** Postman, Cloudinary
- **Core Competencies:** Data Structure and Algorithms (DSA), Object Oriented Programming (OOP)
- **Operating Systems:** Unix/Linux, Windows
- **Version Control:** Git, GitHub
- **Project Management Tool:** Jira
- **Soft Skills:** Team Collaboration, Problem Solving, Adaptability, Critical Thinking, Time Management

Achievements

- HTML and CSS Certification
- JavaScript Certification
